### Company Profile

Founded in 1995, Instrument Specialties provides a wide range of quality Kitchen Appliances at affordable rates under two brand names i.e., STEEMO & GAS O GRILL. Inspired by the lifestyle of today's discerning consumers, all our products combine efficiency, quietness, and quality with unrivaled ease of use.

Our motto: "Quality means doing it right when no one is looking". Since its inception, STEEMO & GAS O GRILL has constantly evolved its product line, which today has become one of the most comprehensive, respected, and likable ranges of products in the market, backed by responsive & dedicated after-sales service.

At our company, we encourage creativity, openness, and innovation. We derive pleasure to act as a bridge by providing elegant, stylish as well as technically advanced kitchen appliances. Continuing with the endeavor to provide the best to our customers, we present you with a fascinating collection of kitchen appliances that will charm you with its simplicity of use, the durability of performance, and the value of money.
